HOMEMAKER HOME HEALTH AIDE	:	
IN THE STATE OF NEW JERSEY	:	

This matter was opened to the New Jersey State Board of Nursing (the "Board") upon receipt of information which the Board has reviewed and upon which the following findings of fact and conclusions of law are made:

FINDINGS OF FACT

1. Deneeshah E. Williams ("Respondent") is a certified homemaker-home health aide in the State of New Jersey and has been a licensee at all times relevant hereto.

2. Upon receipt of a flagging notice indicating that Respondent was arrested on September 24, 2014 by the Springfield Township Police for violation of N.J.S.A. 2C:20-3A, Theft of Movable Property, the Board sent a letter of inquiry, requesting certain information and submission of documents, to Respondent's address of record in Roselle, New Jersey, via regular and certified mail on or about October 9, 2014. A response was due within twenty

(20) days. The regular mailing was not returned; the certified mailing was delivered on October 16, 2014.

3. To date, Respondent has not responded to the Board's request for information.

CONCLUSIONS OF LAW

Respondent's failure to respond to the Board's request for information constitutes a failure to cooperate with a Board investigation, in contravention of N.J.A.C. 13:45C-1.2 and 1.3, which the Board deems professional misconduct pursuant to N.J.S.A. 45:1-21(e), subjecting Respondent to disciplinary action pursuant to N.J.S.A. 45:1-21(h).

Based on the foregoing findings and conclusions, a Provisional Order of Discipline was entered on August 14, 2015, provisionally suspending respondent's certification to practice as a certified homemaker-home health aide, and imposing a \$200 civil penalty. A copy of the Order was served upon the respondent by certified and regular mail at her address of record. The Provisional Order was subject to finalization by the Board at 5:00 p.m. on the 30th day following entry unless respondent requested a modification or dismissal of the stated Findings of Fact or Conclusions of Law by submitting a written request for modification or dismissal setting forth in writing any and all reasons why said findings and conclusions should be modified or dismissed and submitting any and

all documents or other written evidence supporting respondent's request for consideration and reasons therefor.

Respondent replied to the Provisional Order, and provided the Board with most of the information and documentation requested originally in its letter of October 9, 2014. The Board determined that respondent had substantially complied with the original request for information, and that suspension of respondent's certification was therefore no longer applicable. However, the Board found that respondent's delay in providing a complete response caused needless delay and led to the Board's unnecessary use of resources, in that it had to issue an order so as to obtain information and documentation that should have been readily furnished upon the initial request. Therefore, the Board determined that the Provisional Order should be finalized, imposing the \$200 civil penalty for respondent's initial failure to cooperate with the Board's investigation.

ACCORDINGLY, IT IS on this 9th day of December, 2015,

ORDERED that:

1. Respondent is assessed a civil penalty in the amount of two hundred dollars (\$200). Payment shall be made by certified check, bank cashier check, or money order payable to "State of New Jersey," or by wire transfer, direct deposit, or credit card payment delivered or mailed to George Hebert, Executive Director, State Board of Nursing, P.O. Box 45010, Newark, New Jersey 07101.

Any other form of payment will be rejected and will be returned to the party making the payment. Payment shall be made no later than fifteen (15) days after the date of filing of this order. In the event Respondent fails to make a timely payment, a certificate of debt shall be filed in accordance with N.J.S.A. 45:1-24 and the Board may bring such other proceedings as authorized by law.

2. The Board reserves the right to initiate disciplinary proceedings based upon any information that Respondent ultimately provides in response to the letter of inquiry or upon any new information the Board receives.
